But the orders of the Madras Govt contain certain additional provisions and issue express instructions on certain points, which are noted hereunder:-

(1) The concessions allowed to Govt Servants drawing not more than Rs 100 per mensem for journeys by road under Rule I (i) of the Govt order of 9th April '07 are extended in the Madras Govt order to journeys by river also.

(2) The expenses for the return journey of patients are arranged to be paid at the Coonoor Treasury on production of a discharge certificate from the Director of the Institute at Coonoor. In every case the arrangement is made direct with the patient.

(3) Any leave in excess of one month's casual leave granted to a Govt Servant whose pay exceeds Rs 100 but does not exceed Rs 500 a month & who has a difficulty to find at once the means to enable him to proceed to the Institute is to be treated as sick leave under the Madras Govt order; in every case the leave in excess of one month may be treated as privilege or sick leave. The Bombay rule is more liberal in this respect

(4) Provision is made by the Madras

G.O., No. 31, Public, dated 11th January 1907.

ABSTRACT.—Recording letter from the Government of India (Home department), No. 1087, Medical, dated 19th December 1906, regarding the grant of concessions to Government servants and indigent persons proceeding to the Pasteur Institute at Kasauli or Coonoor for treatment, stating that further orders will be issued on the subject of paragraphs 2 and 3 of the letter from the Government of India, and directing that from and after the opening of the Pasteur Institute at Coonoor, persons living within the Madras Presidency should resort to that institute for treatment.

G.O., No. 273, Public, dated 5th April 1907.

ABSTRACT.—Notifying in the *Fort St. George Gazette* and in the District Gazettes that the Pasteur Institute of Southern India, Coonoor, will be opened for the treatment of persons bitten by rabid animals from the 1st April 1907.

G.O., No. 518, Public, dated 2nd July 1907.

ABSTRACT.—Recording letter from the Government of India (Home department), No. 526, Medical, dated 18th June 1907, stating that Government servants drawing not more than Rs. 100 a month and indigent persons unconnected with the public service when proceeding to a Pasteur Institute for treatment may, in addition to the concession already sanctioned, be granted the actual cost of any journeys which they may perform by river and ocean steamers not exceeding in the case of Government servants the amount admissible under the rules.

Letter—from the Hon'ble Mr. H. BRADLEY, C.S.I., I.C.S., Acting Chief Secretary to Government.
To—the Agent and Manager, Madras Railway.
Dated—the 20th June 1907.
No.—413-2.

I am directed to refer to the correspondence ending with your letter No. O/15456/1711, dated 21st October 1904,

regarding the grant of concessions to poor persons bitten by rabid animals and despatched at the Government expense to the Pasteur Institute at Kasauli for treatment.

2. The Madras Railway Company now grants a third-class return ticket from any station on their line to Raichur at the cost of a single fare to poor persons proceeding to Kasauli on the requisition of a District Medical and Sanitary Officer, a Civil Surgeon, or a Presidency District Surgeon. The opening of a Pasteur Institute at Coonoor in the Nilgiri district on the 1st April 1907 having rendered it unnecessary for patients in the Madras Presidency to proceed to Kasauli for treatment, I am directed to request that the concessions now allowed by the Company may be made applicable to poor persons despatched at the Government expense to the Coonoor Institute for treatment. As women, children or aged persons, bitten by rabid animals and unable to take care of themselves, have to be sent under the escort of attendants for treatment at the Institute, the Governor in Council would be glad if the concession now allowed by the Company in respect of the railway journey of the patient can be extended also to that of the attendant.

3. The existing rules requiring the production of a certificate from a District Medical and Sanitary Officer, a Civil Surgeon or a Presidency District Surgeon, as to the necessity for the treatment of a patient at an Institute are considered by the Government as likely to cause dangerous delays in the arrival of the patient at the Institute. The Government therefore propose to empower certain classes of Government servants to despatch at the expense of the State poor persons bitten by rabid animals to the Coonoor Institute for treatment. A list of the Government servants so empowered will shortly be furnished to you. I am directed to request that instructions may be issued to all station masters to grant return third-class tickets for a single fare in the case of persons sent to Coonoor at Government expense on the requisition of a Government servant empowered in that behalf.

4. The favour of a very early reply is requested.

Letter—from the Hon'ble Mr. H. BRADLEY, C.S.I., I.C.S., Acting Chief Secretary to Government.
To—the Agent, South Indian Railway, Trichinopoly.
Dated—the 20th June 1907.
No.—413-3.

I am directed to refer to the correspondence ending with your letter No. 1165, dated 28th October 1904, regarding the grant of concessions to poor persons bitten by rabid animals and despatched at the Government expense to the Pasteur Institute at Kasauli for treatment.

2. The South Indian Railway Company now grants free third-class return passes over the whole of its system to poor persons proceeding to Kasauli on the requisition of a District Medical and Sanitary Officer, a Civil Surgeon or a Presidency District Surgeon. The opening of a Pasteur Institute at Coonoor in the Nilgiri district on the 1st April 1907 having rendered it unnecessary for patients in the Madras Presidency to proceed to Kasauli for treatment, I am directed to request that the concessions now allowed by the Company may be made applicable to poor persons despatched at the Government expense to the Coonoor Institute for treatment. As women, children or aged persons, bitten by rabid animals and unable to take care of themselves, have to be sent under the escort of attendants for treatment at the Institute, the Governor in Council would be glad if the concession now allowed by the Company in respect of the railway journey of the patient can be extended also to that of the attendant.

3. The existing rules requiring the production of a certificate from a District Medical and Sanitary Officer, a Civil Surgeon or a Presidency District Surgeon, as to the necessity for the treatment of a patient at an Institute are considered by the Government as likely to cause dangerous delays in the arrival of the patient at the Institute. The Government therefore propose to empower certain classes of Government servants to despatch at the expense of the State poor persons bitten by rabid animals to the Coonoor Institute for treatment. A list of the Government servants so empowered will shortly be furnished to you. I am directed to request that instructions may be issued to all station masters to grant free third-class return passes in the

case of persons sent to Coonoor at Government expense on the requisition of a Government servant empowered in that behalf.

Letter—from NEVILLE PRIESTLEY, Esq., Agent, South Indian Railway.
To—the Chief Secretary to Government.
Dated—Trichinopoly, the 24th June 1907.
No.—A.T. 2066/1.

In reply to your letter No. 413-3, of the 20th June 1907, I have the honour to inform you that orders have already been issued allowing the same concessions to poor passengers proceeding to Coonoor as were allowed to passengers proceeding to Kasauli for the Pasteur treatment, and I have much pleasure in now sanctioning the extension of the concession to one attendant. When I receive the list of officials who are to be authorised to despatch at the expense of the State such passengers, I shall issue the necessary orders to my staff.

Letter—from Major H. BONHAM-CARTER, R.E., Agent and Manager, Madras Railway.
To—the Chief Secretary to Government.
Dated—Madras, the 25th June 1907.
No.—O/3505.

In reply to your No. 413-2 P.D., dated the 20th June 1907, I have the honour to state that the concession of a third-class return ticket from any station on this Railway to Coonoor, at the cost of a single fare, will be granted to poor persons proceeding to Coonoor for treatment at the Pasteur Institute. The concession will also be extended to the attendant in the case of women, children or aged persons.

Instructions will be issued at once to all station masters to grant return third-class tickets for a single fare in the

case of all persons sent to Coonoor at Government expense on the requisition of a Government servant empowered in that behalf.

Order—No. 626, Public, dated 3rd August 1907.

The Government accept with pleasure the concessions offered by the Madras and the South Indian Railway Administrations in respect of the railway journey of poor patients not employed in the public service sent to the Pasteur Institute at Coonoor for treatment at Government expense.

2. Rules for the grant of concessions to certain classes of Government servants and to indigent persons not employed in the public service in the Madras Presidency to enable them, when bitten by a rabid animal, to proceed to the Pasteur Institute at Coonoor for treatment are appended to these Proceedings and will be circulated to all officers for information and guidance.

3. Officers empowered to grant the concessions should be careful not to class any person as indigent who, they have any reason to believe, has means to pay for his treatment. In cases not covered by the rules, the orders of Government should be obtained, if necessary, by telegraph.

(True Extract.)

H. Bradley,
Ag. Chief Secretary.

ANNEXURE.

RULES FOR THE GRANT OF CONCESSIONS TO GOVERNMENT SERVANTS AND TO INDIGENT PERSONS NOT EMPLOYED IN THE PUBLIC SERVICE TO ENABLE THEM, WHEN BITTEN BY RABID ANIMALS, TO PROCEED TO THE PASTEUR INSTITUTE AT COONOOR FOR TREATMENT.

I.—Concessions to Government Servants.

1. Any Government servant who has been bitten by a rabid animal, and who is too poor to proceed to Coonoor at his own expense may, provided that he is drawing not more than Rs. 100 a month, be granted—

(i) His actual travelling expenses to Coonoor and back, viz., (*a*) a single fare each way by railway of the class by which he is entitled to travel on duty, (*b*) for journeys by road or river the actual cost of transit, not exceeding the amount admissible under rule. The expenses for the return journey should be paid to the patient at Coonoor after the treatment has been undergone, by the Treasury officer at that station, on production of a discharge certificate from the Director of the Institute.

(ii) An advance of one month's pay.

(iii) One month's casual leave, any leave required in excess being treated as privilege or sick leave.

2. Any Government servant who has a difficulty in finding at once the means to enable him to proceed to the Coonoor Institute, and whose pay exceeds Rs. 100 but does not exceed Rs. 500 a month, may be granted an advance not exceeding the amount admissible under rule 1 (i), and may also be granted an advance of one month's pay and one month's casual leave if privilege leave is not due to him. Any further leave required should be sick leave.

3. Government servants drawing more than Rs. 25 per mensem proceeding to the Pasteur Institute for treatment should bear the cost of their maintenance both during the journey and while under treatment at the Institute. Those drawing not more than Rs. 25 per mensem will be granted a maintenance allowance at the rate of daily allowance admissible to officers of the third and fourth classes under article 1063 of the Civil Service Regulations (4th edition), clauses (iii) and (iv).

4. The officers of the Madras Presidency mentioned in Appendix A are authorized to grant the above-mentioned concessions to Government servants employed under them or subject to their authority.

5. The despatch of every Government servant to the Coonoor Institute for treatment should at once be reported to the officer immediately superior to the officer by whom the patient is sent, and by that officer, if he is not the head of the department, to the head of the department. Where the head of the department himself sends the person, no further report will be required. A report should also at once be made direct to the Director of the Pasteur Institute, Coonoor, stating—

(*a*) the class to which the patient has been treated as belonging for the purpose of travelling allowance;

(*b*) the amount of travelling allowance (by rail, road or river) advanced; and

(*c*) the number of days for which and the rate at which maintenance allowance has been advanced.

6. The Director's discharge certificate should be prepared in duplicate: one copy of it should be given to the patient and the other should be attached to the bill for the travelling allowance for the return journey which should be presented for payment at the Coonoor treasury. The patient should bring back with him the certificate of treatment from the Director of the Institute and produce it before the head of his office.

7. The bill for travelling allowance for the return journey should be at the same rates as were allowed for the journey to the Institute and should also be supported by the original intimation received from the officer who is responsible for the original advance. Maintenance charges for days spent at Coonoor and for the days of the return journey may be advanced on separate bills drawn by the Director, who will certify thereon the class to which the patient belongs and the number of days that he was under treatment or that will be occupied in the journey.

8. Grants for the travelling and maintenance allowances of Government servants should be debited to a special detailed head, viz., to "32. MISCELLANEOUS—*Miscellaneous*—Charges for the treatment of patients at the Pasteur Institute."

9. All advances made to Government servants under rule 2 above should be recovered in three equal monthly instalments as provided in article 137 (*b*) of the Civil Account Code. Any recoveries of overdrawals to be effected in consequence of a Government servant having been allowed travelling allowance in excess of that to which he was entitled will be made by the Accountant-General.

II.—Concessions to Indigent Persons not employed in the Public Service.

10. Any indigent person domiciled in British India not employed in the public service who has been bitten by a rabid animal, and who, in the opinion of any officer authorized to grant the concession, is unable to proceed to the Pasteur Institute, Coonoor, for treatment at his own expense may be granted his actual travelling expenses to Coonoor and back, viz., (*a*) a single third-class fare each way by railway, (*b*) for journeys by road or river, the actual cost of transit, (*c*) maintenance allowance at the following daily rates :—

Europeans and Eurasians, one Rupee during the journey and Rs. 2-8-0 during treatment; natives, four annas during the journey and six annas during treatment.

Provided that for the purpose of this rule no person or member of the family of a person who pays more than Rs. 50 as *kist* per annum or whose income from any other source than land exceeds Rs. 15 *per mensem* shall ordinarily be classed as indigent; nor shall any person be classed as indigent who has at the time or can obtain from relatives the means of paying his expenses.

A list of the officers in the Madras Presidency authorized to grant this concession is given in Appendix B.

11. A third-class pass or ticket from the patient's station to Coonoor and back by the shortest and cheapest route on the terms allowed by the Railway Companies will be procured for the patient by the officer who despatches him to Coonoor.

The Madras Railway Company grant return third-class tickets for a single fare to indigent persons sent to the Institute at Government expense and make the same concession to any attendant sent at Government expense. The South Indian Railway Company grant free passes to such persons and attendants.

The form given in Appendix C should be adopted when applying to Station masters on the Madras Railway for return third-class tickets to Coonoor.

12. The patient may be paid in advance the actual cost of transit for journeys by road or by river, when necessary, and maintenance allowance for the period of his journey to Coonoor. He should take with him to Coonoor and produce before the Director of the Institute a certificate signed by the officer despatching him that he has been sent to the Institute for treatment at the expense of the Government of Madras.

13. The maintenance allowance of the patient while under treatment at Coonoor and for the period of the return journey

and also, if necessary, the cost of transit for journeys by road or by river, on the return journey will be disbursed by the Treasury officer at Coonoor, on production of a certificate from the Director of the Institute that the patient has been under treatment at the Institute.

14. The Director's discharge certificate should be prepared in duplicate. One copy should be despatched by him to the Government officer responsible for the original advance, and the other should be attached to the bill for travelling allowance for the return journey when presented for payment at the Coonoor treasury.

15. The bill for travelling allowance for the return journey should be at the same rates as were allowed for the journey to the Institute and should be supported by the intimation received from the officer responsible for the original advance.

16. Maintenance charges for days spent at Coonoor and for the days of the return journey may be advanced on separate bills drawn by the Director who will certify thereon the days that the patient was under treatment or that will be occupied in the journey.

17. Women, children and aged persons bitten by rabid animals may, if unable to take care of themselves, be sent under the escort of an attendant to the Coonoor Institute for treatment. The expenses of the attendant will be borne in the same way as those of the patient. Only one attendant may be sent at Government expense with each patient or patients of the same family.

18. The despatch of each indigent person to Coonoor for treatment at the public expense should at once be reported to the Director of the Institute; to the Chairman of the Municipal Council or the President of the Local Board concerned, if the area from which the patient is despatched is within the limits of a municipal town or of a local board; and in every case a report should also at once be sent to the Accountant-General.

The report should state--

(*a*) the amount of travelling allowance (by rail, road or river) advanced;

(*b*) the number of days for which and the rate at which maintenance allowance has been advanced;

(*c*) whether it is proposed that the cost should be borne by Provincial revenues or by Municipal or Local funds.

19. The expenses incurred in the treatment of indigent persons should be debited to--

(*a*) *Municipal funds* where the person sent resides within the limits of a municipality,

(*b*) *Local funds* where the residence is outside a municipality but in a tract where the Madras Local Boards Act, 1884, is in force,

(*c*) *to Provincial revenues* in all other cases.

The expenditure under Provincial revenues should be debited to a special detailed head, viz., "32 MISCELLANEOUS—*Miscellaneous*—Charges for the treatment of patients in the Pasteur Institute."

G.O., No. 31, Public, dated 11th January 1907.

ABSTRACT.—Recording letter from the Government of India (Home department), No. 1087, Medical, dated 19th December 1906, regarding the grant of concession to Government servants and indigent persons proceeding to the Pasteur Institute at Kasauli or Coonoor for treatment, stating that further orders will be issued on the subject of paragraphs 2 and 3 of the Government of India's letter and directing that from and after the opening of the Pasteur Institute at Coonoor, persons living within the Madras Presidency should resort to that Institute for treatment.

G.O., No. 518, Public, dated 2nd July 1907.

ABSTRACT.—Recording letter from the Government of India (Home department), No. 526, Medical, dated 18th June 1907, stating that Government servants drawing not more than Rs. 100 a month and indigent persons unconnected with the public service when proceeding to a Pasteur Institute for treatment may be, in addition to the concession already sanctioned, granted the actual cost of any journeys which they may perform by river and ocean steamers not exceeding in the case of Government servants the amount admissible under the rules.

G.O., No. 626, Public, dated 3rd August 1907.

ABSTRACT.—Directing that the rules for the grant of concession to certain classes of Government servants and to indigent persons not employed in the Government service in the Madras Presidency to enable them when bitten by a rabid animal to proceed to the Pasteur Institute, Coonoor, for treatment be circulated to all officers for information and guidance.

Letter—from J. C. FERGUSSON, Esq., Under Secretary to the Government of India, Home department (Medical).
To—the Chief Secretary to the Government of Madras.
Dated—Simla, the 9th August 1907.
No.—861.

Order—No. 703, Public, dated 2nd September 1907.

Recorded.

2. In the annexure to G.O., No. 626, Public, dated 3rd August 1907, the following rule will be substituted for rule 17 of the rules for the grant of concessions to indigent persons proceeding to the Pasteur Institute, Coonoor, for treatment :—

"17. Women, children under 16 years of age, and men "who are, by reason of age or other sufficient cause, incapable "of travelling alone, may be allowed an attendant to "accompany them to the Institute at Coonoor. Any such "attendant shall be granted—

"(i) travelling expenses and maintenance allowance "at the rate sanctioned for patients; and

"(ii) wages not exceeding four annas a day, in cases "where the despatching officer is satisfied "that the patient is unable to pay the daily "expenses of the attendant.

"The charges of the attendant will be borne by the "fund to which the charges on account of the patient are "debited. Only one attendant may be sent at the public "expense with each patient or patients of the same family."
